#### Main Speaker: Diane Brask

*"I am a no-nonsense country girl who grew up on a dairy farm in the beautiful state of Wisconsin. Everything about who I am and what I do is country, through and through. I have spent my life working in small towns and communities of rural areas in America and in very, remote, rural areas in other parts of the world. I like to get out of town...way out! I am all about the ends of the earth. My passion is unreached, forgotten, or overlooked people groups in the most difficult, neglected places of the world."*

Once you meet Diane, it will be apparent to you that her ministry is an overflow of her passionate heart for God and for people everywhere to personally experience His love. Diane has a proven track record with 35 years of fruitful ministry in a variety of settings. She is highly recommended as a captivating spokesperson, storyteller, and servant for the Kingdom of God.
