

12/11/2025

To the Covenant Churches of the Northwest Conference:

Greetings from Women Ministries of the Northwest Conference.

As you are preparing for your churches 2026 budget, we would like to ask each church to prayerfully consider adding Women Ministries to your annual budget. These support funds are used to promote Women Ministries throughout the Northwest Conference by:

- Allowing the president of Women Ministries or the Women Ministries Consultant to visit churches to meet with Women's Ministry leadership teams and encourage and engage with new ideas to promote Women Ministries in the church.
- Supporting Women's Ministry cohorts and Bible studies via Zoom
- Helping fund the yearly Spring Renewal conference for women all across the NWC.

Special gifts can also be sent to support:

- Special Interest Missionaries. These funds are used by the missionaries for special projects that they may have to specifically benefit women in their mission fields. These could be supplies for Bible Studies, conferences for women where they serve, or other needed support for women.
- CAN (Covenant Ability Network – formerly known as CER - Covenant Enabling Residences) which provides 10 Christian homes (including Our Place, North Place, Friendship Place and more) for individuals with intellectual disabilities.
- Safe Sanctuaries (Formerly known as AVA), which provides training to equip churches in helping survivors of abuse.

Please prayerfully consider adding Women Ministries to your budget to continue to advance God's kingdom through women. Checks can be written to Women Ministries of the Northwest Conference and mailed to the Northwest Conference Office:

Financial Secretary WM NWC
3106 47th Ave S
Minneapolis, MN 55406

Donations can also be sent via Tithe.ly or PayPal via our website at www.wmnwc.org/give

Thank you for your prayerful consideration,

Women Ministries of the Northwest Conference Board
